Christian beliefs, thoughts and actions are first and foremost at MLHS. All academics taught are in line with the Holy Bible. In addition to devotions, chapels and Bible studies, all students are required to take four years of religion.

The pastors pictured above come into MLHS for one hour each day for five days a week to equip our students with the true wisdom and knowledge which comes only from God's Word. MLHS is blessed to have these committed, wise and faithful servants of God share their passion for Christ with our students daily.

Religion I: Old Testament Bible: Grade 9. The Bible is the place where we meet God through His Word. In the freshmen year, a systematic study of the Old Testament is undergone.

Particular emphasis is given to key events and relationships between God and His people through whom He fulfilled His promise to send a Savior. A great deal of emphasis is placed on how the content of the Old Testament is relevant for the Christian today in our modern world.

Religion II: New Testament Bible: Grade 10. In the Bible we meet the central focus of our faith, Jesus Christ. In the sophomore year, the study of the New Testament is two fold. First, an in-depth study of the life, death, and resurrection of our Lord and Savior Jesus Christ is undertaken. Secondly, an overview of the beginning of the Christian church from Pentecost through the journeys of St. Paul will be done. Time permitting, other top-

ics of interest may be brought in such as the development of the Christian church in the centuries following the Apostles.

Religion III-A: Christian Doctrine: First Semester, Grade 11. The Bible is the source of all we believe. However, in order to become strong in our faith and to confess what we believe in an orderly manner, it is useful to study the many different doctrines found in the Bible. For example, what do the Scriptures have to say about God, man, sin, Jesus, justification, vocation, the Church, the Sacraments, etc.? How has the Church taught these Biblical teachings in both ancient and modern times? To study the chief doctrines of the Holy Scripture in an orderly manner, this

class will use as its basis the Augsburg Confession, the first great confession of Lutheranism, which clearly confesses these fundamental Biblical teachings. These Biblical truths will then be compared to the various branches of Christianity to see how the different denominations of Christianity are similar and different.

Religion III-B: Comparative Religions: Second Semester, Grade 11. We live in a world full of religions and cults, which challenge our Christian faith. In order to be able to know and

express our Christian faith better and not to be deceived by falsehood which says it is the truth, we focus our attention upon what the major world religions and cults teach. First a basic overview of what the major world religions and cults teach is conducted. Secondly, a comparison between these non-Christian groups and the Christian faith is made. Finally, some methods are examined that Christians can use to respond to those who are outside the Christian church and are in cults or non-Christian religions.

meant to guide us in every aspect of our lives. First of all, a basic understanding of what it means to have Christian standards will be formulated. Secondly, understanding the necessity of exercising these Christian standards is essential. Finally, how such standards need to impact every part of a person's life will be demonstrated. Life areas such as marriage, family and the world of work may be explored.

Religion IV: Christian Ethics: Second Semester, Grade 12. There are many different standards that are being presented today concerning what is right and what is wrong. The basis of the class is that there is one clear objective standard, God's standard. Using God's standard will make it possible to make decisions that are God pleasing. Making God-pleasing decisions is a primary concern for the Christian. With this in mind, the class will center on the process of the development of ethics and the necessity of ethics. Having established the importance of ethics, attention will be focused on what is Christian ethics. Finally, the examination of particular ideas and activities in society will be explored, applying Christian ethics to discover God pleasing responses to the world's challenges.

Religion IV: Christian Living: First Semester, Grade 12. The Christian faith is not just a Sunday morning exercise but is meant to be a part of everything we do. With that in mind, it is important to apply the Christian faith to the every day challenges of life that one finds in the world of work, marriage, and family. The basic Christian fundamentals we find in the Bible are

Touring England and France in Seven Days

Front: Mark Meyer, Katie Bergt and Cody Kiehl. Back: Haley Koeritz, Katherine Morris and Daric Sitzman at the Tower of London.

This past June, Mrs. Amanda Bergt, MLHS History teacher, and Miss Rebecca Oerman, English instructor, traveled to Europe with six MLHS students. The two teachers and Katherine Morris (2010) and five 2009 graduates (Katie Bergt, Hayley Koeritz, Kody Kiehl, Mark Meyer, and Daric Sitzman) took a whirlwind tour of London and Paris. Robert Sitzman, Daric's dad, went along as the male chaperone. The entire trip took only seven days, including two full days for travel, but the group managed to see many historically important and interesting sights in that short time.

Their time in London began with a visit to The Tower of Lon-

don where they saw the Crown Jewels, the torture rooms, the armory, and the famed Tower Ravens. Legend has it that if the ravens ever leave the Tower of London, both the Tower and the kingdom will fall. That may sound like a silly superstition, but the Brits aren't taking any chances—they've clipped one wing on each raven and feed the ravens prime cuts of meat to ensure that they will stay. Other sights in London included Westminster Abbey, Trafalgar Square, Buckingham Palace, the changing of the guard, and the Globe Theater. One

evening was spent on a walking tour of London, hearing the gory details of Jack the Ripper and his murder spree.

Paris was almost too much to absorb in only two and half days. The Arc d'Triomphe, the Louvre, Notre Dame, the Eiffel Tower at night, and the gardens and palace at Versailles, along with other sights, were beautiful and truly amazing to see. A word to the wise: do not try to see the Louvre in two hours. It is the largest museum in the world. According to the tour guide, if a person spent two hours a day at the Louvre, it would take two full

weeks to see the entire museum. The Louvre is worth it, though. Visitors can see the *Mona Lisa* and the *Venus de Milo* along with Napoleon's apartments and too many other things to mention. The gardens at Versailles were also a treat. The pipes to the fountains there are so old that the fountains only run for short periods of time on weekends during the tourist season. The group was fortunate to be able to experience the gardens and their fountains on a beautiful, sunny, 80 degree day.

The group was able to experience two different cultures, including taking the Tube (despite a strike) and enjoying "fish and chips and mushy peas" in London, and the "all-carb" breakfasts of fresh croissants and baguettes in Paris. The anticipated "language barrier" was non-existent in Paris as Parisians were friendly and happy to switch to English for their obviously American guests.

Those who went on this trip have many stories, pictures and videos they would be more than happy to share with you. Mrs. Bergt and Miss Oerman are hoping to plan another trip in the next two to three years.

Many thanks to those who helped to defray trip costs by making and/or purchasing pies and caramels and by eating at the Pizza Ranch on our "tip nights."

ACT SCORES

MLHS students' ACT scores have been consistently higher than state and national averages for several years. Scholastic accomplishment continues to be reflected in the ACT scores at MLHS. The local composite for Martin Luther students was 23.8, more than one full point ahead of state average of 22.7 and almost three points ahead of the national average score of 21.1.

Student performance continues to track in an upward trend over the past several years. The chart below shows the sub-categories and local (MLHS) scores compared to state and national averages.

	MLHS	MN	National
English	23.2	22.0	20.6
Math	24.3	22.7	21.0
Reading	24.8	23.1	21.4
Science	22.1	22.6	20.9
Composite	23.8	22.7	21.1

These scores reflect Martin Luther High School's continued commitment to rigorous curriculum, resulting in success for our students in post-secondary studies. MLHS teachers continue to stress reading and comprehension in all curricular areas. Our students also devote 15 minutes each day to reading for pleasure. Poor reading comprehension is an area which concerns college educators nationwide.

Most Martin Luther High school students who are heading to post-secondary studies of any kind take the ACT. Anyone with questions about these scores or other testing done at Martin Luther High School may contact Guidance Director Sharon Patrick.

EXCEPTIONAL TEACHERS

Robert Patrick, Martin Luther High School Principal and History teacher, attended three competitive application seminars this past summer.

In June he attended the National Endowment for the Humanities seminar titled *Remembering the Alamo: Landmark of American History and Culture*. The one-week seminar was held in San Antonio, TX. The seminar was hosted by the Civil War Institute at Gettysburg College and led by Lincoln scholar Dr. Matthew Pinsker. Topics included: The Lincoln/Douglas Debates, Emancipation, Presidential War Powers and the Election of 1864. Participants toured the battlefields of Gettysburg as well as traveling to Washington D.C. to tour Lincoln's cottage, which acted as Lincoln's "Camp David" during his presidency.

Did you know MLHS was "in the making 45 years ago?" In July, 1964 the Lutheran Education Association of the Martin County area held an organizational meeting. The group's primary purpose was to foster interest in a Lutheran High School. A 42-acre tract of land, just southwest of Fairmont was the proposed site of the school. The land was purchased from Mr. Stade on a contract for deed.

Take Charge of Education

Use your TARGET Red Card Charge and register Martin Luther High School as your charity. Every time you shop using your Red Card, TARGET will donate 1% to MLHS (In-store and on-line). Since the program began, MLHS has received \$1,548.00 from TARGET. We recently received a check for \$191.34.

MLHS is eligible for donations through the LCMS Group Purchasing Agreement with Office Depot. When you shop in-store or on-line, MLHS will receive 5% of your total sales from Office Depot.

Forgot to use your school's ID number when making a purchase?

Past purchases made within the current quarter can still be entered for credit! You can give 5% of your qualifying school supply purchases back to MLHS in the form of merchandise credits. For more info go to www.officedepot.com and click on "5% back to schools" at the bottom of the page.

Make goodsearch.com your default internet search engine. Just follow the simple instruction on their site. Every time you search the web, MLHS will receive one penny. How many times do you search the web in a day? Ten? $10 \times 365 = \$36.50$ / year.

Go to goodshop.com, name MLHS as your charity and choose from hundreds of on-line stores. Some stores include 1-800-flowers, Amazon, American Bible Society, Best Buy, Ebay, Lands End, Old Navy, Travelocity, ToysRUs, Sears and Walgreen. MLHS can receive from .5% up to 30% depending on the store.

3M Volunteer Match=\$250

The 3M Foundation matches volunteer hours of 3M employees (minimum 20 hours) and retirees (minimum 25 hours). Your volunteer service is recognized with a \$250 grant to MLHS. If you are a 3M employee or retiree and have volunteered at MLHS in 2009 it is worth \$250! Contact Marge Thiesse to complete the application to help MLHS receive \$250 on your behalf.

Use HyVee Cards

Each card brings 3% in real cash to MLHS!

A special and heartfelt “thank you” goes out to Harold Bergt

who has managed this program since 1995. His attention to detail and dedication has helped this program bring in \$25,196 “extra” into the MLHS budget since he started.

Laurie Quinn, MLHS Office Manager, will be overseeing the HyVee Card Program beginning **October 5th**. All salespeople and shoppers can get their cards at MLHS during school hours.

Help us “BUMP UP” the dollars that come into MLHS by using these cards every time you shop there!

Thank you to all of our faithful HyVee sales reps.

Since 1995 top sales people are:

1. Linda Becker,—\$247,000, St James, Northrop.

Each year HyVee Cards make about \$2,500 for MLHS. Help us to raise this amount to \$5,000!

You can help MLHS receive \$5,000 in another way!

Every time you shop at HyVee stop at the registration box and register an MLHS student (they can win a lap-top) and MLHS (to win \$5,000).

Hurry! There are only 4 weeks left in this program. Nationwide, ten students and ten schools are winners each week.

Let’s help MLHS be one of them!

Memorials Share God's Love & Promises

It is with sincere appreciation that we recognize these gifts & memorials given to MLHS from June 1, 2009 to September 15, 2009. These gifts of love are instrumental in the success of our educational ministry to teenagers.

Nearly \$80,000 in student tuition aid has been given to families qualifying for tuition assistance this school year. (This has doubled from last year.)

Will you be a Guardian Angel and help us make those award dollars into "real" dollars? We need your help to make the budget balance!
