A look at what makes MLHS "A Choice Worth Making!"

Lutheran Schools Witness to the God That They Teach Everyday

Three hundred students in grades Kindergarten to 12 and several adult volunteers joined forces to "feed God's starving children" on Tuesday, March 9th as part of the Lutheran Schools Week celebration. With the recent earthquake in Haiti, this project tied into the Lutheran Schools Week theme of "Securing Each Child's Future for a Life of Service."

Students and teachers donned "Kids Against Hunger" aprons and hair nets and packed 50,976 meals. When training the students for the food pack, Tim Stromer, Mankato, MN Division Director of "Kids Against Hunger" said, "This servant event is a testimony to the God each one of you serve".

Each meal costs \$.23 cents and consists of rice, soy, dried vegetables

and chicken flavoring. Samples of the packaged food were prepared for the students to taste.

Participating schools were Martin Luther High School and St. James Lutheran School in Northrop, St. Paul Lutheran School in

Fairmont, and St. Paul's Lutheran School in Truman.

The Martin Luther High School National Honor Society and Student Council and principals from the four participating Lutheran schools coordinated the event. All students were challenged to raise \$50 each, with some students raising as much as \$400 individually. Parent-Teacher Leagues of each school provided support to help the students reach their goals. Over \$12,000 was raised to cover the cost of the food that was packed that day.

Assembly lines were set up throughout the gymnasium. Each work station carefully measured and

weighed the ingredients and heat sealed the bags. Martin Luther High School students assisted the elementary students with their duties throughout the day. Wal-Mart donated the trucking to transport the food to and from the pack site which totaled over 250 boxes. The food from this pack will go to established distribution sites in Haiti.

Students and adults experienced first-hand the gratifying feeling that comes when giving selflessly to help those in need. This servant event was a testimony to the God

they serve and learn about everyday in their Lutheran schools. For more information go to www.martinlutherhs.com.

Meredith Jenkins, Truman, and Steph Senne, MLHS, seal the bags.

St James, Northrop students and teachers all wear hairnets & aprons at their training session.

Matt Osborn, MLHS, and Sasha Bertram, Fairmont, work together to count bags and pack the food into boxes.

Foreign Exchange Students Expand Our World and Provide a Witness Opportunity

Hosting a foreign exchange student can be an exciting and rewarding experience. Martin Luther High School hosts exchange students to assist both our students and the visiting students to learn about other cultures and expand their knowledge of the world.

Right now we are looking for host families for two students from Slovakia. Would you prayerfully consider opening your home to one of them? These

students come for EGT, the Lutheran High School which has been where all of our other Slovakian students have attended.

If you would consider hosting and would like more information, contact Mrs. Patrick as soon as possible. We would like to have designated hosts before the end of this school year.

Over the years the foreign exchange students have contributed to the learning experience of MLHS families and students. Some of the foreign

exchange students are not familiar with God's Word and their time at MLHS has made an impact on their faith-lives.

Diana Zhu, from China, is a sophomore and lives with the Chuck Northwick family. Claire Su, from Taiwan, is staying with the Larry Bremer family.

Thank You for the Thanks

The generosity of so many Christians is a tremendous blessing to the MLHS ministry. Here are some wonderful examples of the benevolent gestures of our MLHS family.

1. One California family chose to take the money they would have normally spent on Christmas gifts to each other and give it to MLHS. Thank you!

2. The LWML of St Paul Lutheran Church, Lakefield chose MLHS as their charity to support. In lieu of sending out Christmas cards, members gave the money they would

have spent on cards and postage and gave to MLHS.

3. One person sent a donation with these words, "I decided not to wait any longer to help you obtain the \$7,380. Sorry for the lost funding. I hope people will help. It is so important for young people to be able to go to a Christ-centered school."

4. Another donor wrote, "I can't begin to know how to thank each and every one of you for all the good you do. I know that you have made a difference in many, many young people's lives by sharing

the Gospel with them. Thank you!"

5. A friend in Christ wrote: "My relative was in a car accident on January 14th. I would like to thank the teachers, coaches and anyone else that came to their help right after the accident. The kids and all who love those kids are truly blessed to have such a wonderful group of adults supporting and educating them. There is no substitution for a Christian Education...May God continue to bless Martin Luther, the teachers and staff and all the kids. God's blessings to you."

New Student Registration Night

Tuesday, April 27th

4:00 to 8:00 p.m. by appointment

Parents and students will meet with Sharon Patrick, Guidance Director, to schedule classes, establish goals and map out an academic path.

Dear Parents of pre-school and elementary students,

I'll get right to the point. You need to send your child to Martin Luther High School because we educate with Jesus Christ. And in today's day and age, you either educate your children with Jesus Christ, or they will be educated against Him. MLHS boldly proclaims the saving Gospel of Jesus Christ without apology. MLHS is not just a private school; it is a Christian high school that puts Jesus Christ first in all that it does.

We have Religion classes, chapels, devotions, prayer, etc. Other schools have great facilities, equipment and all kinds of "extras." They are missing the very thing that makes MLHS special – ***Jesus Christ***. When my oldest daughter was in college, she thanked us for sending her to a Lutheran elementary and Lutheran high school. She said that, when having discussions with her college mates, they knew only the basics of the Bible and were amazed that she knew the *specifics* of God's Word.

MLHS does not take a backseat to any school in terms of academic excellence. MLHS is an environment that nurtures academic excellence. The very first minute a freshman steps foot in our building, he or she begins a journey that is focused on developing his/her academic abilities with an eye on college. 95% of all MLHS graduates go on to post-secondary education or the military. Our most recent ACT composite score is 23.8, well above the state and national averages. Our ACT scores have been higher than local averages for the past several years. Our academic excellence can be directly traced to outstanding, certified teachers, rigorous expectations, and a caring atmosphere where students can seek out the help that they need to be successful. When students graduate from MLHS they can have up to one year of college credits on their résumé.

We offer many excellent extra-curricular programs as well. We excel in athletics, drama, and music. It is a misconception that as a small Christian school we cannot keep up with other larger schools when it comes to activities. Our coaches have a passion for their programs, and produce quality and get results. MLHS encourages students to participate in many activities while receiving a well-rounded education.

I have to be honest – I love Martin Luther High School. I am surrounded by faculty and staff that are dedicated to the mission of MLHS. I walk through the hallways and see students that are God's children, being educated by people that care for them, and being taught daily about God's love. *How can you not want that for your children?* I personally invite you to visit MLHS during the school day to sit in on several classes. I hope you will send your son or daughter to MLHS. God has great things going here, and I wouldn't want them to miss out on any of it. You are invited to read what our parents say about MLHS. Go to www.martinlutherhs.com and click on "Enrollment". Scroll down for a link to their testimonials.

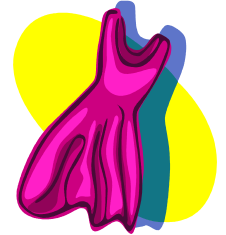

Thanks for reading – God's blessings on your decision!
